

## NESTLE Octoliner G with green laser beam

### Multi-liner for fast work

Product number :16114001

### Top features

- All lines with green laser beam, plumb point red laser beam
- Operation temperature -10°C to +40°C
- Motorised self-levelling
- Versatility in use due to 360° horizontal line in combination with exactly perpendicular vertical planes.

### All special features at a glance

- The Octoliner-G corresponds to the Nestle Octoliner in its application properties:
- 360° horizontal line
- 4 switchable vertical lines and plumb point
- Motorised self-levelling (can be switched off)
- 5/8 connection, side fine drive, adjustable leg screws
- The Octoliner-G is also suitable for use with a receiver.

### Description

The NESTLE Octoliner G, with green laser beam, is an electronic self-levelling cross line laser with superior accuracy. It can generate four vertical lines at right angles to each other, a 360° horizontal line, a plumb point on the floor and a laser cross on the ceiling with an accuracy of  $\pm 1.5$  mm/10 m. The green laser beam is perceived 4 times better by the human eye. The green laser beam is perceived by the human eye 4 times better than a red beam and is therefore particularly suitable for drywall construction. It levels itself quickly and stably in a range of 4°. Self-levelling can be switched off to project laser beams at an angle if required. Another advantage is its adjustable 360° pitch circle for easy angle measurements. The side fine drive supports the exact alignment of the vertical planes.

### Technical Details

Working range* without/with receiver	approx. 50 m / approx. 120 m
Working time	4 lines = 6 hrs / 2 lines = 12 hrs.
Weight	1520 g
Threaded connection	5/8
Laser (lines)	green, class 2
Laser plummet (dot)	red, class 2
Dimensions	15 x 22 cm
Optical angle	360° horizontal / 4 x vertical
Pulse mode	Yes
Protection class	IP54
Self-levelling	$\pm 4^\circ$
Power supply	Li-Ion battery or 4 x AA

Tolerance

± 1.5 mm per 10 m

**Scope of supply**

Octoliner, Carrying case, Battery, Target board, Glasses, Charger
