

NESTLE hook for petrol separator cover

Lift EVERY manhole cover

Product number :21004000

All special features at a glance

- Petrol separator lids are not a problem
- Two different heavy duty hooks (15 x 15 mm and 12 x 8 mm) are also available.
- In addition, you can also choose between two round hooks (normal, 90° angled).
- For manhole cover openings further inside, we have an extension in our range.

Description

Heavy-duty hook with curved tip for many lids on petrol separators. The extensive range of hooks and extensions for the manhole cover lifter makes it easy to lift all manhole covers. Thanks to the different hooks, even petrol separator lids are no problem.
