

NESTLE heavy duty hook for manhole cover lifter

Lift EVERY manhole cover

Product number :21011000

All special features at a glance

- Petrol separator lids are not a problem
- Two different heavy duty hooks (15 x 15 mm and 12 x 8 mm) are also available.
- In addition, you can also choose between two round hooks (normal, 90° angled).
- For manhole cover openings further inside, we have an extension in our range.

Description

Heavy duty hook round, 90° angled tip version short. The extensive range of hooks and extensions for the manhole cover lifter makes it easy to lift all manhole covers. Thanks to the different hooks, even petrol separator covers are no problem.
