

NESTLE Manhole cover lifter standard hook, 12 x 12 mm

Lift **EVERY** manhole cover

Product number :21008000

All special features at a glance

- Petrol separator lids are not a problem
- Two different heavy duty hooks (15 x 15 mm and 12 x 8 mm) are also available.
- In addition, you can also choose between two round hooks (normal, 90° angled).
- For manhole cover openings further inside, we have an extension in our range.

Description

Standard hook with straight tip. The extensive range of hooks and extensions for the manhole cover lifter makes it easy to lift almost all manhole covers. Thanks to the different hooks, even petrol separator covers are no problem.
