

NESTLE hook set for manhole cover lifter

Lift EVERY manhole cover

Product number :21010000

Topfeatures

- Set with practical retaining ring
- For all common manhole covers

All special features at a glance

- Petrol separator lids are not a problem
- Two different heavy duty hooks (15 x 15 mm and 12 x 8 mm) are also available.
- In addition, you can also choose between two round hooks (normal, 90° angled).
- For manhole cover openings further inside, we have an extension in our range.

Description

This set consists of seven common hooks including a practical retaining ring. The extensive range of hooks and extensions for the manhole cover lifter makes it easy to lift almost all manhole covers. Thanks to the different hooks, even petrol separator covers are no problem.
